Generations of Infection Prevention

INTERNATIONAL INFECTION PREVENTION WEEK 2026

Past. Present. Protected.

Did You Miss a Spot?

interactive in-facility activity

Did You Miss a Spot?

Supplies

- Colored water based paint
- OR shaving cream,
- OR chocolate syrup
- Gloves

Instructions

- Have participant put on gloves.
- Apply product in amount similar to alcohol based hand sanitizer into palm.
- Have them close their eyes and demonstrate their normal hand hygiene routine.
- Once complete, have them open eyes and review their work. Are all areas of the hands, nails, palms, tips, back, etc. fully covered?

Additional ideas

- Include gown & glove removal to verify no cross contamination
- Create art with hands (e.g., wall mural, different colors, designs, etc.).
- Turn it into facility/department pledge for safe care through proper hand hygiene.
